

Are you passionate about SCIENCE but don't want to be confined to a research lab?

Do you want to use your SCIENTIFIC skills in a more COMMERCIAL environment?

Yes? A career in the pharmaceutical industry could be for you.

Costello Medical Consulting Presentation Evening

Thursday 21st November

7.30pm - 9.00pm

William Mong Hall, Sidney Sussex College

Join Costello Medical Consulting for an introduction to the wide-ranging opportunities that exist within the commercial side of the pharmaceutical industry, from medical writing to health economics.

The presentation will begin at 8pm but please join our Analysts, Medical Writers and Interns for wine and nibbles from 7.30pm.

Costello Medical Consulting Open Afternoon

Thursday 5th December

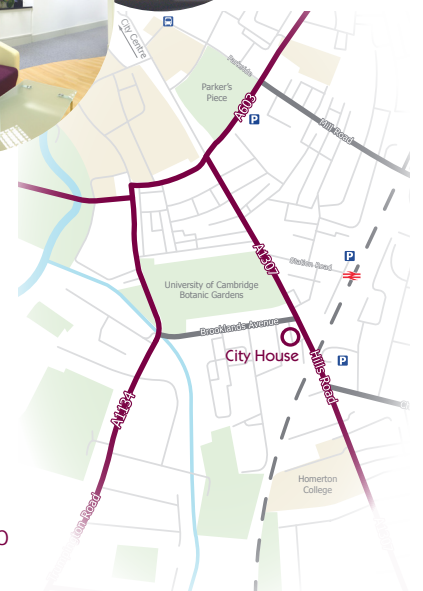

4.00pm - 6.00pm

City House, Hills Road, Cambridge

Come along to our offices in Cambridge for an open afternoon on Thursday 5th December to learn more about the work we do, the current opportunities to join us and what it is like to work for a rapidly growing medical communications consultancy.

The presentations will start at 4pm and refreshments including mulled wine and mince pies will be served throughout the afternoon. Our Medical Writers, Analysts and Interns will be on hand to answer any questions and share their experiences.

We are continually recruiting so please visit our website at www.costellomedical.com, contact one of the team through GradLink (www.careers.cam.ac.uk/gradlink) or view our job adverts on the Careers Service website.

Interested in attending?

To register your interest in attending either event, or for more information, please contact Sophie Pearson at recruitment@costellomedical.com.

Spaces are limited so please sign up in advance.
