

Hello Churchill MCR members

I'm Jack, a PhD CompSci student, and I'm running for the LGBTQ+ Representative role. I'm excited to be standing for a position on the MCR, both to provide a supportive environment for LGBTQ+ members, and to be a part of the hard-working team continuing to make Churchill's MCR community the best and most vibrant in Cambridge!

Why should you vote for me?

- I'm friendly and approachable; **ready to listen and act** on comments from LGBTQ+ members of the MCR
- I've previously been an **active member of the MCR committee**, both as First Year Rep and (interim) LGBTQ+ rep, and have experience of running various MCR events, sitting on college committees, and assisting other MCR members with various tasks
- I've arranged a **variety of events for Lent Term**, from quieter board game nights to social events, and two movie nights to also support students who may not feel comfortable going to LGBTQ+-focused spaces
- I'm working on arranging a **Gender Recognition Fund** for trans and non-binary members to receive financial support for items to help them feel more comfortable in their gender presentation, and to support travel to appointments at Gender Identity Clinics
- I'm working on arranging an **LGBTQ+ swap** with other colleges

Vote **Jack Hughes** for **LGBTQ+** Representative!
