

It is with great enthusiasm that Maryellen Malone and Jack Fixa ask for your vote for Churchill's MCR External Social Secretaries! We aim to ensure that your social experience is a vibrant one, filled with opportunities to meet postgraduates from other Colleges and experience what other Colleges have to offer. Both Maryellen and Jack have heaps of event planning experience, ranging from sorority socials to Vegas penthouse parties. Our goal is to make events inclusive, elegant, and, most importantly, fun! We would love to hear your ideas throughout the coming terms to serve our Churchill community as best we can.

Thank you for organizing the elections,
Jack and Maryellen
