

Hi, I'm Sam Turner and I'm running for the role of Men's Welfare Officer.

I'm a first year PhD student in astrophysics and also did my undergrad here in Churchill. In my time at Churchill I've found it to be a welcoming and inclusive place to live and work and I'd aim to continue and build on this in conjunction with the other welfare officers. Even at the best of times Cambridge can be a stressful place to be and so I'll always be accessible to anyone who needs someone to talk to (or even if you just need a cup of tea).

Specifically, I'd focus on:

- Organising fresher's week to ensure that new students settle in as quickly as possible.
- Running regular welfare events such as welfare tea and yoga, in conjunction with the other welfare officers.
- Organising the parenting scheme for new students.

Thanks,
Sam
