

During the past year, before COVID-19 hit, I served as Bar Secretary, helping to run the Vicious Penguin MCR Bar.

I am well aware of the duties that concern the Bar Secretary. By proposing my candidacy for the role of MCR Bar Secretary, I intend to and will do my best to run the bar as smoothly as possible in these uncertain times by organizing both in-person *(when and if possible) and virtual events.

As I mentioned before, I have already experienced the work and tasks that are related to this role, and I know I can offer enthusiasm, ability, and the right preparation to be able to perform this task in the best possible way.

It is an honor for me to run as Bar Secretary and, if elected, it will be a pleasure to be your MCR Bar Secretary for this year. As an MCR Bar Secretary, I will remain at your disposal, and I will work hard to ensure that this space is well managed. I will make sure that the bar remains an open, supportive space where every student can feel at ease and take a break from their daily duties, as it has been for me during my first months in Cambridge.
