

Reece McCoy

Manifesto for MCR President

My background...

- I am a second year PhD student (third year here at Churchill) developing a bioelectronic platform for the monitoring of intestinal host-pathogen interactions.
- I am **currently MCR Bar Treasurer** and have previously assisted with the running of freshers events and guest nights.

Why you should vote for me...

- My role on committee has given me a lot of **experience** in liaising with College.
- **I love Churchill – living here, working here and having fun here** and I would strive to make it a welcoming and comfortable place for all.
- I understand how the committee is run and how we can work to make the most **difference to college life** together.

As President, I will...

- Ensure **transparency** and **communication** of discussions and decisions which affect you – especially regarding college facilities, catering and accommodation.
- **Represent MCR views** to ensure new College developments have the MCR in mind (e.g. Master selection and Churchill Road Project).
- Amend the MCR rules to ensure the MCR committee can operate more effectively with more **accountability**.
- Work constructively with the whole committee to ensure an **enjoyable** and **welcoming community** for all.
